Do you remember playing Pong? No! Well this is the perfect opportunity for you to play one of the most fun game around. It's simple, but so addictive. Instead of having 2 bars and a dot moving on the screen, you have 2 deadly Ninjas facing each other in a fight to the death... Well, maybe not, but still your playing an improved version of the Pong game. Also, you can enjoy a great music track playing during the match againts your opponent.

Push start and let the game begin...
